GCHR

Director

Hello GCHR Members

Happy New Year! 2020 is now over and 2021, I believe, will be a good year. We had our first board meeting in four months on January 12th and things look very positive for the GCHR.

It's time to dust off those bikes. Dave Perkins has set up a road captain meeting on January 20th and the road captains are lining up to schedule their rides. Another positive sign!

One of the main objectives is to get the bikes on the road and rides on the calendar.

Our Board is now full with the exception of Raffle (this could be you). All of our appointed officers have also returned. I want to thank them all. They do a great job.

Let's ride!

Bruce Ullom
2021 GCHR Director

John Robertson Asst. Director

So here we are, 2021. Seems to be starting out just as 2020. First I'd like to thank everyone for the nomination as Assistance Director. Hopefully we can get things up and moving along once again. We do have a few new Board Members this year and I'm sure they all would appreciate a little shout out next time we all get together.

 Our Road Capt.'s have had a meeting and have got a couple things listed for some rides. So have a look at the calendar and dust off that 2 wheeler of yours and come out and join us. Hang in there everyone, this pandemic can't last forever ...

John "FastJohnny" Robertson

Dave Perkins Safety

Hello everyone.
Hope you are all well.

I'm sure glad 2020 is behind us,

and hopefully 2021 will be much better.

We do have some rides up on the schedule, and with luck the weather will be kind to us. If anyone wants to ride on a day that is not on the schedule, and I am available, I will be happy to be your road captain. Here's too many miles in 2021.

Happy New Year and
Welcome to 2021!

I hope everyone had a Merry Christmas. The year 2020 was a challenging year for everyone with the pandemic and we are hoping that this new year is much easier. Last year there were lots of ups and downs for everyone between new marriages, new grandchildren, losing friends, surgeries and things like buying new homes. Let's hope 2021 only has ups this year.

The GCHR Board is trying to maneuver thru the ever-changing State and County guidelines for the pandemic and working on getting the Club back to riding and having fun.

Safety Officer Dave will lead the charge with getting the Road Captains to start planning rides. We are also keeping our fingers crossed that the numbers will go down and we can find a safe way to hold a General Meeting.

Former Raffle Queen Pennie and her husband Jeff were able to buy lots of raffle prizes due to the generosity of Jon Felker so when we start holding General Meetings plan on buying some raffle tickets!

I hope to see everyone on a ride soon. Stay safe everyone!

2021 Secretary*

Happy New Year Gold Country Harley Riders!

2020 was a tragic one for our great country. Condolences to all who lost love ones. But I think it's safe to say we've also taken a hit to our social

well-being. That needs to be remedied with some get-togethers and rides!

2021 is looking up, especially if our golden state can get it together distributing the vaccine. Looks like we'll be wearing masks for a while, but I just heard the powers-to-be have cancelled the stay-at-home order in all counties in California, so there's light at the end of the tunnel!

I highly recommend that you members 65 and older, and all others when eligible, get on the vaccine list as soon as possible. It couldn't be worse than getting that swab rammed up both nostrils for the test...brought tears my eyes!

Anyway, look forward to seeing you all this year. Dust off those scooters and stay safe and healthy.

Brad, Treasurer

Dennis Chapman Membership

Another year is under way and I am back as the Membership Officer for one more year. We have a ride coming soon, and a chance to see our friends again. I am looking forward to getting

out on my bike.

We ended 2020 with 69 members but our sign ups were cut short due to COVID. So far we have 16 members that have renewed their membership.

If you have not signed up yet we do keep your name on the roster for a couple of months but remember that as of the first of January each ride you attend requires a new Release of Liability. What a pain that can be. Once you reregister that is taken care of until next year.

There will be plenty of opportunities to renew your membership. I carry the paperwork needed with me to all club meeting I attend, even pens. All you need to bring is \$20.00, proof of insurance and your driver's license. (I just need to see them)  

It is nice that we can ride year round in this area. So watch the weather and ride when you can. It is always good to get out and ride with friends.

Let's Ride, Dennis

Joyce Perkins Activities

Happy 2021. We didn't have the chance to do many activities together in 2020. As the outgoing Activities Director, I am happy to be the incoming director for 2021. I hope we can plan more activities and fundraising in 2021. If you have any ideas for fundraising even during COVID, please let me know. And as things start getting back to normal, please look out for new events.
